

Designed to be environmentally conscious, Eco Natural is Turf Hub’s first fully recyclable offering. Featuring a proprietary Polypropylene Dispersion backing system that is not only Eco friendly it is 100 percent permeable and dimensionally stable. The use of a semi texturized face yarn produces a non-directional turf that will look great from all directions. This technology will also hide traditional wear patterns from heavy traffic making it particularly well suited for outdoor entertainment areas

1 3/8in

Key Highlights

- Natural & Lush:** Enjoy a perfect lawn with a vibrant colorway, imitating the beauty of natural grass.
- Durable Warranty:** Backed by an industry-leading 15-year warranty* for your peace of mind.
