

# Forte 60

## Garden

Mix of omega shape monofilament fibers and curly fibers with root effect technology which keep the monofilament fibers straight up. Our artificial turf for the bravest, made for those who want to have a tough lawn and not to worry about maintaining it.

Forte 60 is great for higher traffic applications. Forte is the "to go" turf for big commercial projects. It will also look good in private gardens and at your home.
